

MPBC Room in the Inn

Saturday Afternoon Driver

Saturday Afternoon Driver

Resources: One driver, arrive at MPBC at 5:00 PM.

Driver Responsibilities

- Arrive at church at 5:00 PM to pick up the van keys from the RITI month captain.
- Drive the church van to Urban Ministry Center (directions below) and arrive at 5:30 PM (UMC assigns neighbors and lines up buses based on these arrival times, so please be right on time at 5:30 PM).
- Pick up 15 neighbors at Urban Ministry Center (UMC) door. Obtain a printed roster from the UMC representative and once neighbors are on the van, verify from the printed roster that each neighbor is accounted for. You will be greeted by a UMC representative who will bring the neighbors to your car. Let the RITI representatives coordinate the assigning and loading of your vehicle.
- Drive to MPBC. Be friendly and talk with your neighbors. Also, if possible, call someone at the church (an overnight host or month captain) to let them know that you've picked up the neighbors and let them know of any special needs (e.g., young children).
- Park as close as possible to the entrance to the Rainy Day Room. The door will be open. Escort the neighbors down into the Rainy Day Room. Along with the overnight hosts and/or captains, you can help orient the neighbors to their beds, the restrooms, showers, etc., and see that they are getting settled. Remember that women and men should be on separate sides of the room.
- HAVE NEIGHBORS FILL OUT AND WEAR A NAMETAG (usually located in the dining area). Turn responsibility for the neighbors over the overnight hosts, month captain, and/or dinner crew (all of whom should already be at the church). You are invited to stay for dinner with our volunteers and neighbors.
- LEAVE VAN KEYS WITH OVERNIGHT HOST for use the next morning.

Directions

Head toward downtown on Selwyn, continue as Selwyn becomes Queens. Continue as Queens becomes Providence and Providence becomes 4th Street. Continue on 4th Street through the downtown area until you reach College Street. Turn right onto College Street and follow it along. As you go under I-277, get over to the right. Go through the stop light and continue straight toward the railroad tracks (do not bear left toward Tryon Street). Urban Ministry Center is at the bottom of the hill. (North College Street almost "dead ends" into Urban Ministry Center; address is 945 N. College Street). Pull up along the curb closest to the Center; please do not park by the dumpsters. Map is attached.
